

Descend, gracious Holy Ghost

Verse 1

**Descend, gracious Holy Ghost
Dwell Thou with us in this world
Things of God reveal to us
Inspire us to serve the Lord.**

Verse 2

**Sin is in our heart within
That is hard to overcome
Our own power is not enough
Except by Thy grace alone.**

Verse 3

**How we want sin be destroyed
Within our heart and without
Come, Thou Holy Spirit come
And wash away all our sins.**

Verse 4

**Thou, O God, art all our need
Give Thy Holy Ghost to us
That we may keep Thy precepts
And walk in Thy perfect way**
