Hit parade of love

I wanna be right here and gee you've really got it made
You've got a lot of platteres on the lover's hit parade
If I can be your number one I don't know what I'll do
Gonna climb right up to the top I'm so in love with you

On the hit parade of love I know I'll never stop
I've got a long long way to the top before I reach top
But if I do you can see I've really got it made
Then I'll know I'm number one on the lover's hit parade

Well I let you for a half of beer 'cos it's so nice and fine
Another one to take your place would sure be hard to find
So put your arms around me dear and be my turtle dove
And then I'll know I'm number one on your hit parade of love
