Bluegrass Songs - Lyrics

How could I dream such a dream

I dreamed you were lying close beside me
And I dreamed no one else had your heart
In this dream you said you loved me
And told me that we'd never part

Oh how could I dream such a dream
How peaceful there while I sleep
But I awoke, how strange it did seem
I was lost in a world so deep

You'll never know just how much I love you
And that you're in my prayers every night
But tonight you're in the arms of another
And I know what I'm felling ain't right

* Refrain
