MINE - ELVIS PRESLEY
(Words and music by Tepper - Bennett)

Mine is a heart
That beats for only you
Mine is a love that always will be true
For ever more, beyond the end of time
I will be your love, promise you'll be mine

Mine is a heart
That beats for only you
Mine is a love that always will be true
For ever more, beyond the end of time
I will be your love, promise you'll be mine
