

Handle with Care
Lyrics: Judith Garnett
Scripture: Matthew 26:41
Meter: 11.11.11.11.6.5

Look out, little woman! Look out, little man!
Do be just as careful as ever you can,
For each of you carry a treasure too rare
To risk any trifling, so "Handle with care!"

Refrain:
Look out! Look out, little woman!
Look out, little man!

Your soul is the treasure, and day after day
You choose which to follow: the straight or broad way;
So mind what comes nigh you, and heed where you go-
Your soul is eternal for weal or for woe.

The words of the Savior were "Come unto Me!"
So sweetly He spoke them in dear Galilee;
He wants us to serve Him with pure hearts, and true;
Then let us be careful in all that we do.
