How in - sen - si - tive I must have seemed

        Cdim(IV) Gdim Cdim      E9   E7
When she  told    me  that she loved me;

How un - moved and cold I must have seemed

When she told me so sincerely.

Why, she must have asked, did I just turn

And stare in icy silence?

D7            C#7               F#7
What was I to say? What can you say

When a  love af - fair is over?

Now she's gone away and I'm alone

With the  mem  -   o  - ry of her last look.

Vague and drawn and sad, I see it still,

All her heartbreak in that last look.
