Without You-crd

(A) (F#m7)

If I can (A) last through another (F#m7) sunrise
In the (A) past I knew what to do
But this was such a (F#m7) grim surprise
If I (A) wait for the sun to (F#m7) shine
(D) How can I pass the (E) time
Without (A) you, (D/A) without (A) you (E)

If I can break the spell that is in me
Any fool would no where to go
i huess I'd better send a mayday
If I find me a rainbow's end
How will I find it then
Without (A) you, (D/A) without (A) you (E)

(F#m) Wait till (A/E) I see you next (D) time
(A/C#) Maybe I'll (A) lose my (E) mind
(D) Living (E) without (A) you

If I can last, wait until the wind dies
I've been all up and down like a clown
And this is such a thin disguise
If I wait for the sun to shine
How will I pass the time
Without you, without you

Wait til I see you next time
Maybe I'll lose my mind
Living without you
Without you, without you
Without you, without you
