Victory In Jesus
Recorded by Merle Haggard and Albert E. Brumley, Jr.
Written by Eugene M. Bartlett

```
C                                F                  C
I heard an old old story how a Savior came from glory
            Am                D7                    G7
He gave His life on Calvary to save a wretch like me
  C                             F                        C
I heard about His groaning about His precious blood's atoning
                 Am             G7            C
Then I repented of my sins and won the victory

                          F          C
Oh victory in Jesus my Savior forever
                     Am              D7             G7
He sought me and He bought me with His redeeming blood
   C                              F                C
He loved me ere I knew Him and all my love is due Him
                           G7                      C
He plunged me into victory beneath the cleansing blood

                                  F                C
I heard about a mansion He has built for me in glory
                        Am               D7                   G7
And I heard about the streets of gold beyond the crystal sea
C                                  F                  C
About the angels singing and the old redemption story
                         Am             G7                  C
And some sweet day I'll sing up there the song of victory
```
