So you been broken and you been hurt
Show me somebody who ain't
Yeah I know I ain't nobody's bargain
But hell a little touchup and a little paint

You might need somethin' to hold on to
When all the answers they don't amount to much
Somebody that you can just talk to
And a little of that human touch

Baby in a world without pity
Do you think what I'm askin's too much?
I just want to feel you in my arms
And share a little of that human touch
Share a little of that human touch
Feel a little of that human touch
And you feel a little of that human touch
Share a little of that human touch
Fell a little of that human touch
Give you a little of that human touch
And you give me a little of that human touch
Hey now
