**Love's on the wrong side of town**
**(Springsteen) by Southside Johnny and the Asbury Jukes**

**I was there**
**When you needed someone**
**Look now baby**
**And see what we have undone**
**Oh I did most of the talking**
**But you were the one who lied**

**Bye bye baby**
**Out love is tumbling down**
**I cant be hanging around**
**Love on the wrong side of town**
**Oh baby**

**You were gone**
**When I needed you by my side**
**There was no one**
**To dry the tears from my eyes**
**Oh you were the one who cheated**
**But I was the one who cried**

**Bye bye baby**
**Out love is tumbling down**
**I cant be hanging around**
**Love on the wrong side of town**

**Bye bye baby**
**Out love is tumbling down**
**I cant be hanging around**
**Love on the wrong side of town**

**Bye bye baby**
**Love on the wrong side of town**
**Bye bye baby**
**Bye bye darling**
**Bye bye baby**
