Now if you're lookin' for a hero
Someone to save the day
Well darlin' my feet
They're made of clay
But I've got somethin' in my soul
And I wanna give it up
But gettin' up the nerve
Gettin' up the nerve
Gettin' up the nerve is a man's man's job

Lovin' you's a man's job baby
Lovin' you's a man's job
Lovin' you's a man's job baby
Lovin' you's a man's job
