Woke up this morning my house was cold

Checked out the furnace she wasn't burnin'

Went out and hoped in my old Ford

Hit the engine but she ain't turnin'

We're given each other some hard lessons lately

But we ain't learnin'

We're the same sad story that's a fact

One step up and two steps back

(notation without capo)

But the church bells they ain't ringing

I'm sitting here in this bar tonight

It's the same thing night on night
Who's wrong baby who's right
Another fight and I slam the door on
Another battle in our dirty little war
When I look at myself I don't see
The man I wanted to be

Somewhere along the line I slipped off track
I'm caught movin' one step up and two steps back

There's a girl across the bar
I get the message she's sending
Mmm she ain't lookin' too married
And me well honey I'm pretending
Last night I dreamed I held you in my arms
The music was never-ending
We danced as the evening sky faded to black

One step up and two steps back
One step up and two steps back
One step up and two steps back
One step up and two steps back
One step up and two steps back
