

Remember When The Music-crd (Chapin)

G
Remember when the music
C
Came from wooden boxes
G
Strung with silver wires
D
And as we sang
C
The words would set our hearts on fire
G
To believe in things
D
So we'd sing

G
Remember when the music
C
Brought us all together
G
To stand inside the rain
D
And as we'd join hands
C
We'd meet in the refrain
G
With dreams to live
D
And hope to give

G
Remember when the music
C
Was the best that we'd dream of
G
For our's children's time
D
And as we'd worked we'd sing
C
Cause we knew time was just a lie
G
A gift to say
D
A gift that future gave

G
Remember when the music
C
Was a rock we could cling to
G
So we would not despair
D
And as we sang we'd knew
C
We'd hear an echo in the air
G
And if we weren't smiling then
D G
We'd smile again
C
And all the times I listened
G

And all the times I heard
C
And all the melodies I'm missing
G G/F#
And all the magic words
G/E G/D
All the beautiful voices
C
And the choices we had then I hope you find you got
D
Those kind of choices once again
G
Remember when the music
C
Was a glow on the risin'
G
Of the new born day
D
And as we sing the sun come up
C
And chase the dark away
G
And life was good
D
For we knew we could
G
Remember when the music
C
Brought the night across the valley
G
As the day went down
D
And as we hum the melody
C
We'd be safe inside the sound
G
And so we'd sleep
D
To awake with dreams
G
And promises to keep
