

American Made

[G] Seems everything I [C] buy these days
Has got a foreign [G] name
From the kind of [C] car I drive
To my video [D] game
I got a NIKKON [C] camera
A Sony color Tee[G] Vee
But the one that I [C] love is from the [D] U.S.A.
And standing next to [G] me.

[G] My baby is American Made
[D] Born and bred in the U.S.A.
From her [G] silky long hair to her sexy long legs
My [D] baby is American [G] Made.

She looks good in her tight blue jeans
She bought in Mexico
And she loves wearing French perfume
Everywhere we go
But when it comes to the lovin' part
One thing is true
My baby's genuine U.S.A.
Red, White and Blue.
