1. Your beauty is beyond compare with flaming locks of auburn hair
               G                    Em                    Am
      with ivory skin and eyes of emerald green.
      Am                             C                            G
Am
    Your smile is like a breathe of spring your voice is soft like summer rain
     G                      Em              Am
    And I can not compete with Jolene.
     Am                        C                        G
Am
    He talks about you in his sleep and there's nothing I can do to keep
             G                    Em                    Am
    from crying when he calls your name Jolene
    Am                        C                   G                        Am
   Now I can easily understand  how you could easily take my man
                G                          Em              Am
   But you don't know what he means to me Jolene          go to chorus,
then to 2nd verse

      Am                          C                          G
Am
2.  You can have your choice of men but I could never love again
       G                  Em              Am
      He's the only one for me Jolene
     Am                        C                   G                       Am
     I had to have this talk with you  My happiness depends on you
       G                       Em                Am
     and whatever you decide to do Jolene
