San Antonio Rose

```
  F7               F+   Bb
A song of old San An - tone.
                  Bb7         Eb  C7
Where in dreams I live with a memory,
  F7                    Bb
Beneath the stars all alone.
                      Bb7Eb         C7
It was there I found beside the Alamo
  F7                        Bb
Enchantment strange as the blue up above.
          Bb7  Eb             C7
A moonlit pass only she would know,
      F7                        Bb
Still hears my broken song of love.
F           Fdim C7   F          C7   Abm C9
Moon in all your splendor,  know only my  heart
C          Abm C9            F
Call back my  Rose, Rose of San Antone.
         Fdim  F   C7 F          C                     C9
Lips so sweet and tender, like petals falling apart.
C           Abm  C9          F         F7
Speak once  a - gain of my love, my own.
Bb     Bb7          Eb      C7          F7                      F+  Bb
Broken song, empty words I know still live in my heart all a - lone
          Bb      Bb7          Eb  C7      F7                       Bb
For that moonlit pass by the Alamo,  and Rose, my Rose of San Antone.
