

She's Left Me Again**Written and recorded by Jimmy Martin**

C **F**
There'll be no tomorrow since she left me today
G7 **C**
I just can't be happy since you've gone away
F
I keep searchin' for happiness it seems I never win
G7 **C**
Lord I'm so lonesome she's left me again

F
When she came back the last time everything seemed so gay
G7 **C**
I thought we were happy that she was home to stay
F
There'll never be a next time for me this is the end
G7 **C**
We tried to start all over but she left me again

F
Heaven knows I love her she's often told me the same
G7 **C**
But now I know her sweet words they didn't mean a thing
F
She took away the only love for me has ever been
G7 **C**
Lord I'm so lonesome she's left me again
