

Spanish Fandango

My Sweet Senorita, My own Sweet Chiquita

I long.. for the charms of your lovin arms

So come let's begin the Spanish Fandango

Hold me once more as we glide cross the floor

It's you I adore, .My own Senorita

My light of the moon,. let's dance to the tune

Don't end it too soon, The Spanish Fandango

[illegible]
