```
G                  C                    G
I'm in the way the bright and shining way
                       D7
I'm in the gloryland way
G                        C            G
Telling the world that Jesus saves today
                D7         G
Yes I'm in the gloryland way

C                       G
I'm in the glory land way
                       D7
I'm in the gloryland way
G                        C          G
Heaven is near and the way goeth clear
                D7         G
For I'm in the gloryland way

                C                G
Onward I go rejoicing in his love
                       D7
I'm in the gloryland way
G                      C             G
Soon I shall see him in that home above
                D7         G
Oh I'm in the gloryland way
```
