**ORDER : verse 1, verse 2, chorus, bridge, verse 3, chorus, chorus, fade**

**I am a tramp miner, I've been for some time now  
I live without light of the day  
In the black underground that's where I'll be found  
Biding my time away, Oh working my life away**

**>From here out to Timmins, I've loved all your women  
In the taverns I drank down my pay  
But I'd do it again even though it's a sin  
For it's better than driving the raise  
If you've done it you'd know what I say**

**\*\*\* Chorus \*\*\***

**So I'll roll, roll with the wind  
Roll, roll with the wind  
Roll, roll with the time and the wind  
Then I'll find my way back home again  
{EOC}**

**\*\*\* Bridge \*\*\***

**Homesickness, heartbreak  
And black lung among these men run rampant  
As there rockin' and rollin'  
High ballin' this country today  
{EOB}**

**I am a tramp miner, I've been for some time now  
I live without light of the day  
In a hole in the ground, they'll lower me down  
That'll be my final pay, for working my life away**

**\*\*\* repeat Chorus \*\*\***
