

First Step To Heaven-Oak Ridge Boys
Auth Emory Gordy and Jim Rushing

^CWake up oh sinner you're ^{G7}facing the darkness of ^Cdeath
Each moment could be the ^{G7}moment you draw your last ^Fbreath
And the weight of your fears are the shackles that keep you ^Censlaved
But the blood of the lamb is the one way to bypass the ^{G7}grave ^C

The first step to ^{G7}heaven is knowing you're ^Clost
The highway to ^{G7}glory is the way of the ^Ccross
You can hand Him ^Fyour burdens the moment you ^Csee
The first step to ^{G7}heaven is down on your ^Cknees

To all you believers who have ^{G7}answered the good shepherd's ^Ccall
Flood the chasm of darkness with the ^{G7}light that can save one and ^Fall
Not a soul crosses Jordan on the strength of their money or ^Cdeeds
That mansion up yonder is reserved for those who ^{G7}believe ^C

Repeat verse 2

The first step to ^{G7}heaven is down on your ^Cknees
