**Gathering Flowers For The Master's Bouquet-Kitty Wells**

```
C                      F         C
Death is an angel sent down from above
                         D7          G7
Sent for the buds of the flowers we love
C                     F          C
Truly 'tis so for in heaven's own way
                              G7          C
Each soul is a flower in the Master's Bouquet

F                           C
Gathering flowers for the Master's Bouquet
                      D7          G7
Beautiful flowers that will never decay
C                    F           C
Gathered by angels and carried away
                           G7          C
Forever to bloom in the Master's Bouquet

                              F            C
Loved ones are passing each day and each hour
                D7            G7
Passing away as the life of a flower
C                      F            C
But every bud and each blossom some day
                              G7          C
Will bloom as a flower in the Master's Bouquet
```

**Repeat verse 2**

```
                          F              C
Let us be faithful till life's work is done
                              D7           G7
Blooming with love till the reaper shall come
C                      F           C
Then we'll be gathered together for aye
                              G7          C
Transplanted to bloom in the Master's Bouquet
```

**Repeat verse 2**
