

In Daddy's Footsteps-Hank Snow

^G
 I want to follow in daddy's ^Cfootsteps
^{D7} Let me be the man he wanted me to be ^G
^C
 I want to follow the path of righteousness
^{D7} Remembering all the things he told to me ^G

^{D7}
 He said son love thy neighbor
^G
 And trust in Him above
^{A7}
 Think not of hate but keep within
^{D7}
 A heart that's filled with love

^G
 I want to follow in daddy's ^Cfootsteps
^{D7} Let me be the man my daddy used to be ^G

Recitation:

^C
 Yes Jesus let me follow in the footsteps of my dad
^{D7} Cause 'twas him that often told me of you on your throne of ^Ggold
^C
 And he told me of how You searched the mountain
^{D7} For the little lamb that went astray ^G
^{D7} And brought him back and tucked him so safely in the ^Gfold

^C
 And he told me how they hung You on the cold and bitter cross
^{D7} And his story went on how they placed the crown upon your ^Ghead
^C
 And he told me how they pierced your tender side O Son of God
^{D7} And left you there to hang until you were dead ^G

^C
 That's why I want to follow in the footsteps of my daddy now
^{D7} Because I want to be the man that he wanted me to be ^G
^C
 And then some day just as he told me before he left us and went away
^{D7} My loving daddy with my Jesus I shall see ^G

Sung:

^{D7} So I'll trust in the Father that ^Gwatches from above ^{D7} ^G
^{A7} To take good care of daddy and ^{D7}shower him with precious love
^G I want to follow in daddy's ^Cfootsteps
^{D7} Let me be the man that daddy use to be ^G
