Unloved And Unclaimed

UNLOVED AND UNCLAIMED
Recorded by: Roy Acuff

1 4 1
She Lay on a Cold Marble Slab at the Morgue
5
Thousands Viewed her but none Knew her Name
1 4 1
They Laid her to Rest in Potter's Field this Morn'
5 1
She'll Sleep there Un--loved And Un--claimed

There was no Loved Ones to Weep over Her
Not one Tear did I see Shed
The Lady they Took from that Muddy Old River
But No One ever Came to Claim their Dead

The Muddy Old River has Taken her Life
And the Cold Earth will Hold her Remains
I Pray when she Reaches those Pearly Golden Gates
She won't be Unloved And Unclaimed

REPEAT 1st VERSE
